“I wish I’d done ballet as a child”
Take the first step and you can
leave those words behind you for
good.

Perfect for those coming to
ballet for the first time or
returning later in life. These
classes take their alignment and
poise from the beautiful Russian
technique.

Aimed at non dancers, you will
soon discover that not all ballet
classes are the same and before
you know it you will be enjoying a
sense of vitality that only comes
from the love of classical ballet.

COURSE START DATES:

There are frequent courses
throughout the year.
